What you will gain

By completing the Passport, you will:

1

Identify CTL and campus resources that support effective teaching and faculty success.

2

Apply at least one evidence-informed, inclusive, or student-centered practice.

3

Build professional connections with CTL, campus partners, and faculty colleagues.

4

Demonstrate sustained professional growth through a qualifying Credly-badged experience.

5

Reflect on your learning and identify a next step for continued teaching development.

Your Passport is about connection and growth - not collecting attendance for its own sake.

Start with NFSP-L

Complete the New Faculty Success Program for Lecturers (NFSP-L).

WHEN IT COUNTS

Prior completion counts. You can enter the Passport with this stamp already earned.

HOW TO VERIFY

Credly badge, Canvas completion, or CTL record.

EXAMPLES / NOTES

If you have already completed NFSP-L, ask CTL to verify your Launch stamp.

Your completion reflection

After you earn all five stamps, respond briefly to these prompts. One or two sentences each is enough.

1

What is one idea, strategy, or resource from your Passport experiences that you plan to use in your teaching?

2

Which SDSU resource, program, or campus connection are you more likely to use now, and why?

3

What is one next step you want to take in your professional growth as an educator?
